Product description:

The original mural from the Smart Art collection features a modern floral motif. The green and red plants look beautiful on the black background and the tactile texture adds beauty to the cladding. The mural will help to create a unique atmosphere in any interior. Each mural in the collection is a different story, told with several panels forming a single image-like whole. There are plant motifs in vivid colours, animals as if taken straight from the jungle, there is a lot of geometry and timeless stripes. The murals have a tactile structure, are resistant to damage and work beautifully with light. In this collection everyone will find something to make their interior unique and unusual.
