Product description:

The original mural from the Smart Art collection features a modern floral motif. Large, multicoloured plants look beautiful on the black background and the tactile texture adds a unique charm to the cladding. The mural will help to create an unusual atmosphere in any interior. Each mural in the collection is a different story, told using several panels that form a single painting-like whole. There are plant motifs in vivid colours, animals as if taken straight from the jungle, large geometries and timeless stripes. The murals have a tactile structure, are resistant to damage and work beautifully with light. In this collection everyone will find something to make their interior unique and unusual. Vinyl product, washable, resistant uszkodzenia.
