Product attributes:**Product description:**

The unusual mural from the Smart Art collection imitates a blue, slightly overcast sky. Shades of blue intermingle beautifully to create a 'land of gentleness'. The cladding has a delicate texture and will work well in the most diverse interiors. Each mural in the collection is a different story, told with several panels forming a single image-like whole. There are plant motifs in vivid colours, animals as if taken straight from the jungle, large geometries and timeless stripes. The murals have a tactile structure, are resistant to damage and work beautifully with light. In this collection everyone will find something to make their interior unique and unusual. Vinyl product, washable, damage resistant.
