Product attributes:**Product description:**

This original mural from the Smart Art collection depicts wide, irregular stripes in blue-grey colours, with a touch of orange. The popular motif depicted here is a very modern and offbeat version and would work well in both home living rooms and hotel spaces. Each mural in the collection is a different story, told through a number of panels that form a single image-like whole. There are plant motifs in vivid colours, animals as if taken straight from the jungle, large geometries and timeless stripes. The murals have a tactile structure, are resistant to damage and work beautifully with light. In this collection everyone will find something to make their interior unique and unusual. Vinyl product, washable, resistant uszkodzenia.
